

Prayer For Healing From Cancer

(This prayer is designed so that you can say it for yourself or a loved one)

Dear Most Loving Jesus, Divine Physician, Healer of the afflicted and Comforter of those who suffer. I come to You in this hour and ask You to heal me/Your servant (name the person) of my/their infirmities from (name the type of cancer). I implore You to rest Your Healing Hand on me/them, cleansing me/them of this terrible illness.

May every cell in my/their body be restored to good health so that I/they may serve You more fully. Bless my/their doctors and medical staff with Your wisdom and compassion. Give me/Your servant (name the person) the grace, courage and strength to endure all my/their sufferings. In Jesus Name, I pray! Amen!

In Loving Memory of Deanann "Dee" Clayton, who inspired so many with her grace, beauty and courage.
