

FOLDING INSTRUCTIONS FOR HOLY WATER LEAFLET

First, fold the leaflet in half along the dotted line as shown in the image below:

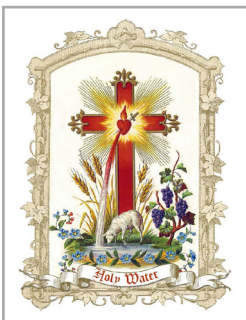

After the first fold the leaflet should look like the image below:

The next step will be to fold the leaflet in half once again along the dotted line as shown in the image on the left.

After the final fold the leaflet should look like the image below:

Note: The leaflet should open like a greeting card when all folds are complete.
